A Leader in Me School

What a Great Year

“It is good to have an end journey toward; but it is the journey that matters in the end.” – Ursula K. LeGuin

Together, we have had a successful 2016-2017 school year. At Chamberlin Hill the students have grown academically, as leaders, and in service by working together on community service projects. These projects have helped students realize that they can, “Be the change they want to see.” Planning to expand these service opportunities is continuing for the remainder of this year and next school year. Ultimately our students are learning that **“It starts with Me!”**

Thank you for your continued support as we grow the Chamberlin Hill leaders.

THANK YOU!

Thank you for supporting our Candy Bar Sale. We know that there are some things we would do differently next time and appreciate your patience for our first sale. Our student fundraiser team worked hard to put this fundraiser together. Thanks to you, we will have the funds to do some great Leader in Me activities!
